Ed's Poetry

A limerick consists of five lines. Lines 1, 2 and 5 rhyme with each other and consist of seven to ten syllables; lines 3 and 4 also rhyme with each other and consist of five to seven syllables. This form of poetry is thought to come from the Irish town of Limerick. Limericks are usually amusing!

Ed has written a limerick about Pat Vine.

There once was a young cow called Pat,
Who liked to wear a large hat.
But its colour and size,
Bedazzled our eyes,
So he gave it to Tom the meerkat.

Now write a limerick of your own about Pat or one of the other characters in this book.

When you have finished your poem you could read it to a friend or learn and recite it.

Ed would enjoy reading your poem. You could email your poem to him.
