Fact or opinion

Say whether these sentences from **Dust 'n' Bones** are fact or opinion.

I awoke with a jump.

Their names were long forgotten....

A legend concerning our house might trouble her.

A cloud of dust and cobwebs choked my dry throat.

I looked inside at the three travellers and slipped into the vacant corner.

Ed's Poetry

Complete this poem about a friendly ghost. Ed has written the first verse for you.

The Friendly Ghost

I think I must have seen a ghost,
Dressed top to toe in white,
I'm sure he's very friendly,
But he gave me quite a fright!

When you have finished your poem you could read it to a friend or learn and recite it.

Ed would enjoy reading your poem. You could email your poem to him.
