Ed's Poetry

In **No Way Out**, Adam and Alex are twins - not identical but telepathic. Imagine what it is like to be a twin. If you are a twin, you will have a distinct advantage in writing this poem!

Many twins share their perspective on life but some have a great need for space. Brainstorm some ideas about twins then draft and write a poem. It can be any sort of poem you like.

Twins

When you have finished your poem you could read it to a friend or learn and recite it.

Ed would enjoy reading your poem. You could email your poem to him.
